

ABOUT MILWAUKEE TOOL

Milwaukee is a world class leader in power tool, power tool accessory, and hand tool solutions. Through Synergy's partnership with Milwaukee our membership will have the opportunity to utilize best in class, new to world innovations in the industry to improve the productivity and safety of your workforce. Milwaukee is continuously pushing the boundaries of their products to new levels. Their One-Key system, a digital platform for tool control and tracking, and their high output LED lighting products are perfect examples of this.

Through this partnership, Synergy members have the opportunity to earn incentives on reported current and future Milwaukee Tool purchases beginning July 1, 2017.

A local Milwaukee Tool team member will be reaching out to you in the next 30 days to review the program and discuss any current or future opportunities to partner with your company.

SYNERGY PARTNERSHIP BENEFITS

- 2.5% cash rebate on annual purchases of all Milwaukee products in the following categories:
 - Cordless: All voltages and categories
 - M18™ ForceLogic: All products
 - Corded: All categories
 - Accessories: All categories
 - Hand Tools: All categories
 - Test and Measurement Equipment: All categories
